

Are you looking to:

Enhance your resume?

Gain a competitive edge over other job seekers?

Benefit more from your College experience?

The **Student Economic Society (SES)** is a group of undergraduates interested in economics who meet for the purpose of supporting academic endeavors, improving employment opportunities, and extending professional networks.

Benefits of joining SES include:

- Networking events where you can meet professional contacts
- First to hear about employment opportunities
- Be invited to hear alumni and industry professionals discuss contemporary topics
- The opportunity to have leadership roles
- Receive more knowledge about the profession with resume and interviewing tips
- Workshops, job fairs, dinners and lively discussions
- Be the first to hear about internships
- Learn about new ideas in economics

AND MANY OTHERS....
